

Please note that following the country's move to Plan B Measures, most of our teams will be working flexibly or remotely.

BTMK will temporarily suspend seeing clients physically at our offices (with or without an appointment) but we will continue offering all of our services virtually and by telephone

If you require any assistance regarding our policy, please e-mail us at **info@btmk.co.uk** and if you have any doubts or questions, please ask us. We will be happy to assist.
